

# Flourish Hampers

## Helping those in need

### Armadale & surrounding community

Flourish Hampers is a not-for-profit organisation servicing Armadale & surrounding areas. We do this by providing vital & necessary food hampers to vulnerable & disadvantaged members of our community. Flourish Hampers are currently in need of non-perishable food donations to help support our local community. If you are able to help, please contact Evelyn via the below. Alternatively, if you are experiencing hardship please get in contact with me.
